EVENT: INTERNATIONAL WOMEN'S DAY CELEBRATION

The IIC committee had organized an event on **INTERNATIONAL WOMEN'S DAY** on 8th March 2025, at 2:00pm, Venue: AV Auditorium.

The day is dedicated to promoting gender equality and advocating for the rights and empowerment of women and girls globally.

The day's program started off by welcome song and welcoming the guest of honor, principal and all the senior faculties on the stage.

Mrs. Geetha Somashekar, Innovator & Entrepreneur, JANUR in IKEBANA arrangements was the Chief Guest for the event.

Mrs. Geetha Somashekar shared her experience in becoming an Entrepreneur and showcased the art work done by her. She is taught 1500+ women so far on multiple art forms which has made them financially independent. She was felicitated for her successful career as Innovator and Entrepreneur.

The Principal, Prof. Asha. N gave a motivational talk on Women's empowerment by the slogan "Empowered Women, Empower the World!" "Equal Rights, Equal Opportunities, Equal Future!" "Strength, Resilience, and Grace – Celebrating Women Everywhere!". She also motivated all the faculties and students for conduction of all the activities.

Mrs. Meena Arun, Guest Lecturer, gave a motivational talk about International Women's Day showcases the achievements of women throughout history and in the present, inspiring future generations to strive for equality and justice.

The major objective of organizing this event was to Motivate students to engage in Innovation activities and Entrepreneurship and grow individually.

The outcome of this event was that students were able to understand the concept and importance and benefits of Entrepreneurship, and also the interaction with the speaker boosted their confidence.

The activity regarding BEST OUT OF WASTE was performed by students and faculties by showcasing their talents in model making, and explaining about there models on the stage.

The purpose of organizing this event is not just to observe the day but also to create awareness amongst the students for sustainable environment.
